## Vimenti Growth Updates

### EDUCATION

● Vimenti School Enrollment

**352 students**

**237 families**

**Expanded Services  
through other schools  
(FSCS)**

- As Vimenti grows, so do student opportunities. This summer, 20 middle schoolers joined the Atlantic University Summer Coding Program, gaining tech skills and campus experience—thanks to our partners at Black Girls Code.

### CHILDREN'S WELL-BEING

At the beginning of the school year, Vimenti School identified several learning barriers such as vision, hearing and asthma problems among its students. The school offered those medical services so they could achieve a better academic performance.

**32%** of students with vision barriers.

**23%** of students with asthma barriers.  
100% of students diagnosed had follow-ups with our pediatricians.

**25%** students with oral health learning barriers.

**1%** of students with hearing barriers.

**100%** received psychometric test. (ASQ)

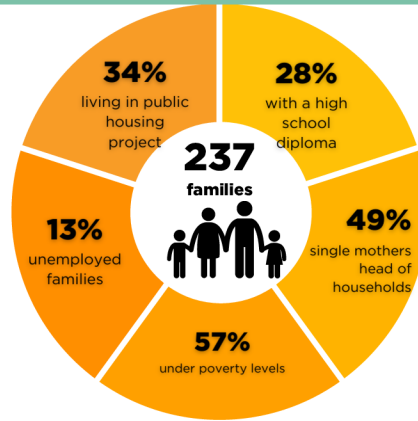

**102,451** Breakfast, lunch, and dinner portions served.

## SOCIAL DEVELOPMENT AREA

### Vimenti School Families' Demographic and Economic Profile 2024-25

Data shows a highly disadvantaged population, especially economically.

## FAMILIES' WELL-BEING

- The percentage of families considered well-being increased from 12% in August 2024 to 16% in June 2025.
- The percentage of families considered vulnerable decreased from 19% in August 2024 to 13% in June 2025.
- The family profile continues to change positively with regard to education, growing from 15% to 16% in families with at least one family member with a technical degree.
- There was a 13% reduction in unemployed adults and a 10% increase in those employed full-time.
- 99% of our new families participated in our annual "Vivencial", an onboarding experience that includes training sessions, protocols, preparation for the year ahead, and a heartfelt welcome and thank you for choosing Vimenti.
